To Whom It May Concern

It gives me great joy to share with you today the blessings and impact the McCloud Family had on our school chapel just a few weeks ago. Charlie and his family gave a wonderful demonstration about the sport Polo and the exhibition of the Polo ponies was enjoyed by all of our students. His son, Lucas gave a great testimony of the protection of the Lord as well His healing power. Lucas presented his experience in a powerful way.

I would highly recommend The McCloud Family for school assemblies, youth and children's church meetings. They would be a great addition for a Family emphasis at your church or school.

Charlie and his family are members here at Central Assembly. If I can be of further assistance please feel free to contact me at 772-562-4505 or email me at boanl@aol.com .
