

To Whom It May Concern:

I have known Charlie McCloud for the past 25 years. I find him and his family to be sincerely devoted to Jesus and to each other. They have a passion for sharing the gospel as well as a passion to enjoy the life God has given them.

Recently, Charlie's son Lucas had a serious health condition that threatened his life. But God... Those are powerful words. But God, did an awesome miracle in Lucas' life and in turn, the lives of the entire McCloud family.

With the crisis behind them, the McCloud family now ministers in churches and schools sharing Lucas' inspirational testimony with others. In addition to that, they add a polo demonstration that the children thoroughly enjoy!

I have hosted them at my church as well as at my children's school where I serve as chaplain. They were well received at all of the services.

I highly recommend them for your church service or any event you have coming up. If you need additional information, please don't hesitate to call my office at 772-589-7825.
