To Whom It May Concern:

I would like to take a moment to highly recommend my friend, Charlie McCloud and his son, Lucas, for your consideration. I have known Charlie for well over 30 years and have observed the Lord's Hand upon his life. Everything he does, he does with all his might. He's the guy who doesn't just look for the treasure, he buys the whole field! Charlie & I have spent countless hours together, working years ago on dramatic productions for our church, praying together through the ups and downs of each others lives, and even involving my own children with him on children's television shows he produced.

Now, in the years that have passed, Charlie & I have stayed in contact as my ministry calling has taken me to over 45 nations of the world and to live in Jerusalem, Israel. Meanwhile, Charlie has been raising a family of his own, and raising horses for what has now become their amazing and unique ministry called "McCloud Polo." Amazing because of Lucas' testimony as a 13 yr. old boy, given on his own with genuine sincerity and un-coerced (see his miraculous story on their website). Unique because in the many places I've been and people I've met all over the world, I've never seen anything quite like their approach to ministry! Truly an effective and lasting impression for anyone, young or older, who is blessed to enjoy their presentation.

I would be most happy to answer any questions about the McClouds. Their whole family have been friends of ours for many years. Feel free to write me at:
